

Greentree Christian Preschool

Information regarding parking lot lines and waiting for the registration process

In an effort to aid in registration lines, we are using the following parking lot arrangements for registration on **Wednesday, January 12** and **Friday, January 14**. If you are registering on January 9,10,11, and 13, please proceed to the atrium area.

To be fair and attempt to include everyone in the order they arrive at Greentree prior to 7:30 am, we are asking that as you pull into the parking lot you pull around the perimeter of the parking lot and “put your car in line.” We would appreciate your cooperation in this attempt to provide a fair and warmer option to standing in line at the door.

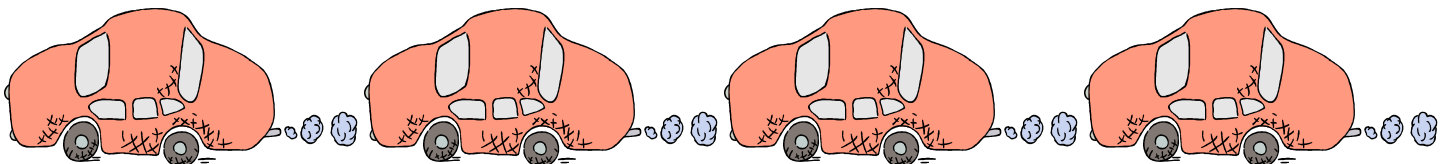

- You may **not** bring your car up and leave it unattended due to fire code regulations.
- Once your car is in line; however, you may join a friend in a nearby car for fellowship while you wait (#s will be given according to car placement).
- Each family must have a parent or designated family representative present from the time they enter the registration line until numbers are passed out.
- If two families arrive in one vehicle and remain for the duration of the waiting period, it will be up to them to determine the order of numbering.
- At 7:30 we will begin administering numbers at the front of the line.
- Cars will drive through the line to obtain a number (each application needs a number).
- After your registration forms have numbers, you may park your car in the outer parking spaces and enter the building by using the front door.
- If you arrive after numbers have been administered in this fashion, you will obtain a number by entering the front double doors.

Please see the map on the back of this sheet. The first car to arrive will pull up to the orange cones and all other cars will fall in place behind them. We hope this will work as well as it has in the past. If you have questions or are unclear please contact the director, prior to Wednesday, January 12.

We would like to take this opportunity to remind parents that there are enough spaces for our returning students. **We cannot guarantee your first choice will be available.**

If you wish to make inquiries regarding class availability prior to your registration date, please check the website or call the preschool office, after 5:00pm. Updates will be posted daily, throughout the week of registration.

Greentree Christian Preschool attempts to offer as many classes as possible to meet the growing need for quality early childhood education. We do not encourage you to “camp out” for a particular space in our program. We realize however that preschool registration is driven by the Metropolitan areas need to match schedules, work, extra curricular and play dates. We ask that due to fire code and insurance regulations we can not allow you to line up prior to the close of business. (5:00pm)
